

Smart Home Wi-Fi Cloud Security Camera

V41A - 4MP Quad HD Camera

## 4MP Quad HD Camera

Designed to represent an enhanced picture quality in full HD video so that every detail can be viewed with vivid clarity and a pixilated video feed can be avoided.

## Easy to Connect

This Ezykam+ by CP PLUS does not even require installation hassles and you can easily place it on a mount, plugit in, connect to the Wi-Fi and you are good to go.
